Staff and Governor Acceptable Use Agreement

ICT and the related technologies, such as email, the internet and mobile devices, are an expected part of daily working life in school. This policy is to help ensure that all staff are aware of their professional responsibilities when using any form of ICT and to help keep staff, governors and visitors safe. All staff are expected to sign this agreement confirming their undertaking to adhere to its contents at all times. Any concerns or clarification should be discussed with the headteacher.

- I will ensure that all electronic communications with pupils and staff are compatible with my professional role.
- I will not give out my personal details, such as mobile phone number or personal email address, to pupils.
- I will only use the approved email system for any communications with pupils, parents and other school-related activities.
- I will ensure that personal data (such as data held on the administration system) is kept secure and is used appropriately. Personal data can only be taken out of the school or accessed remotely when authorised by the headteacher or governing board and with appropriate levels of security in place.

- I will report any accidental access to inappropriate materials immediately to my line manager.
- I will not browse, download, upload or distribute any material that could be considered offensive, illegal or discriminatory.

Images will not be distributed outside the school network without the permission of the parent, member of staff or headteacher in line with data security policy.
- I understand that all my use of the Internet and other related technologies can be monitored and logged and can be made available to the headteacher.
- I will respect copyright and intellectual property rights.

- I will ensure that my online activity, both in school and outside school, will not bring my professional role into disrepute. This includes ignoring invitations from pupils and parents to be part of their social networking site(s).
