

# ATTENDANCE MATTERS

## Every day counts

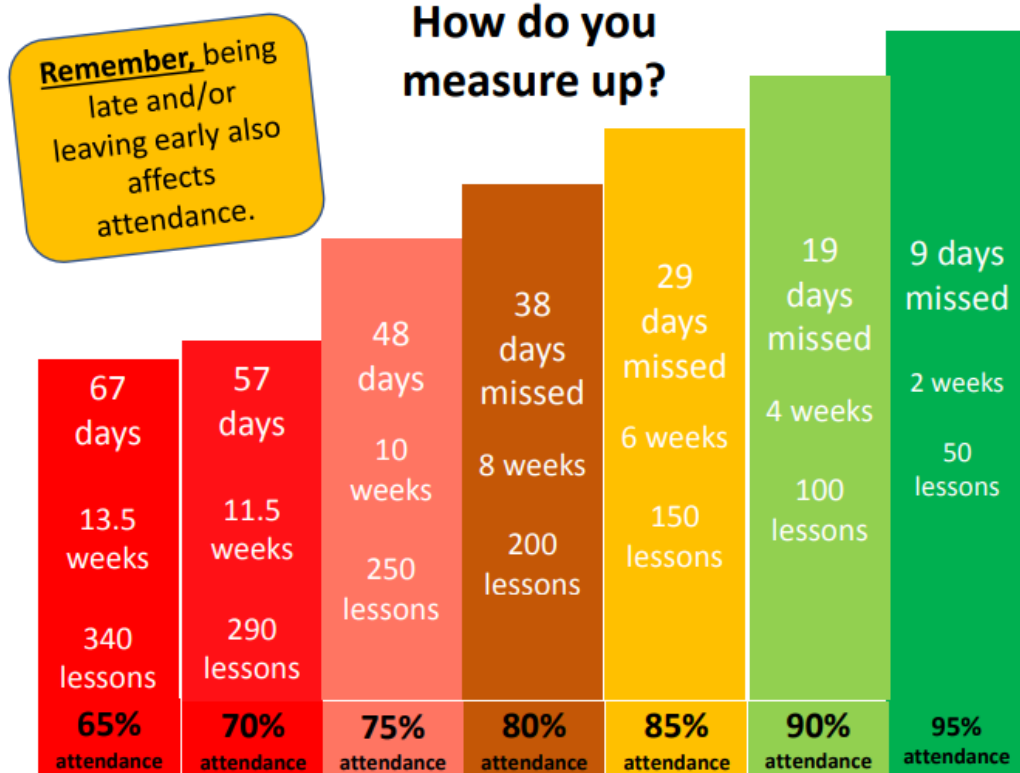

Please read the information below and think about how often your child is absent from school and the impact that has on their future. If your child's absence from school becomes a cause for concern, we will contact you to support and improve attendance.

### GOOD ATTENDANCE MEANS ...

Being in school at least 96% of the time or 184-190 days.

The Government states that every child's attendance should be at LEAST

Seriously worried 89% and below	Cause for concern 90-95%	Good 96% - 100%
Very poor attendance. Drastic effect on academic achievement.	Poor attendance giving less chance of success and creating gaps in learning.	Good attendance giving the best chance of educational & future success.

There are 365 days in a calendar year.

175 days are NOT spent in school.

So there's plenty of time for shopping, holidays and appointments

Our Family Support Lead, Mrs Riley, is here to help and support. Please call the School Office if you would like to arrange a meeting with her.
