How we offer funded hours

15 hours

We encourage parents/carers to access the hours over five days a week using morning or afternoon sessions. We appreciate that some families need full days, therefore the 15 hours can be accessed in other ways subject to space. If you choose to use the 15 hours including full days, please be aware that this option does incur a cost of £3 a day to allow for the lunch club.

Voluntary contribution

We operate a rolling snack for all children. To help us continue offering a wide variety of healthy snacks and maintain a good supply of everyday consumable items used in activities, we ask parents to make a small voluntary contribution.

We encourage all parents to make this payment to support the nursery and your child's learning opportunities. You may opt out, and in this case you would need to provide your child with a healthy snack such as a piece of fruit or a cereal bar and notify us via email at nursery@hunsburypark.org.
